Overview

For 30 years, Clark Turner has been developing and building award winning residential communities throughout beautiful northern Maryland. While each Clark Turner Signature Homes community is unique, they each share a tranquil location that also includes a recreational amenity such as a golf course, waterfront or woodlands.

Founder and president Clark Turner is noted for his love of European architecture that he skillfully incorporates into his homes. For example, many Clark Turner Signature Homes feature domed ceilings in the living areas and bricked ceilings in the wine cellars. "It's our rich detailing that sets us apart," he says.

Clark Turner Signature Homes has received numerous awards, including the prestigious, national Best in American Living Award for its Residence of Bulle Rock community in Harve de Grace, Md. The firm is the first to be twice awarded Builder of the Year by the Home Builders Association of Maryland. The association has also awarded Clark Turner Signature Homes its Award of Excellence for Quality and Value a remarkable 17 times.

The firm's communities include the Residences at Bulle Rock, Harve de Grace, Md.; Newport Landing, Port Deposit, Md.; Water's Edge, Belcamp, Md.; Grand Oaks, Abingdon, Md.; Greens at Scott's Fancy, Bel Air, Md.; Bloomsbury Park, Harve de Grace, Md.; Middle River, Middle River, Md.; River Colony, Perryville, Md., and Bainbridge, Port Deposit, Md.

About Clark Turner, Founder and President

Nearly 30 years ago, Clark Turner founded the company that today is recognized as one of Maryland's most outstanding developers and home builders. He has a passion for European architecture which is immediately evident in the design details of his homes.

Clark has long been a leader in his community and in the home building industry. He is the only builder to have twice been named Builder of the Year by the Home Builders Association of Maryland. His long standing and generous philanthropic endeavors touch nearly every community need.
